UNSUCEESSFUL REFUND OF EXAMINATION FEE – UPDATION OF BANK DETAILS

1. Railway Recruitment Boards have completed the process of Refund of Examination Fee to the candidates who had attended the Computer Based Test (CBT) for Technician categories against CEN: 02/2025.

2. However, it is noticed that refund for few candidates was un-successful as they have furnished incorrect Bank Account number/ wrong IFSC Code, etc. at the time of application. Such candidates are also being intimated regarding this through SMS or E-mail.

3. To facilitate refund **only to such candidates whose refund transaction was unsuccessful**, an opportunity is being given to provide correct Bank Account details **(Aadhaar seeded**). Candidates may provide correct bank account details through web-link https://www.rrbapply.gov.in from 08/08/2026 to 14/08/2026. This weblink is accessible on RRB website http://rrb.indianrailways.gov.in

4. During the process of **updating CORRECT Bank account**, candidates will be required to validate their Aadhaar number. Upon successful validation, the bank account already linked with Aadhaar will be automatically shown for confirmation, which will be used for refund purpose. If no bank account is found to be seeded with Aadhaar, the candidate will be redirected to the NPCI portal for real-time Aadhaar-bank account linking and, thereafter, returned to the application page to complete the process. Candidates who are not having a bank account (Aadhaar seeded) may provide Aadhaar-seeded bank account of any family member, as per the above prescribed procedure.

5. Please note that this is the last opportunity and therefore candidates are advised to furnish the Aadhaar seeded bank account details for getting their exam fee refund.

6. No further correspondence regarding refund of Examination Fee shall be entertained from candidates if they do not make use of this final opportunity.
